

Parents and Students,

We are asking each family to turn in at least five (5) names and addresses for our “Friends of the Titan Regiment” campaign that is beginning now. You can submit more than five addresses; we will mail a letter to each address we receive. This is an important fundraiser and we need you to participate. Letters will be mailed to family members, friends, alumni, or local business owners asking for their support. The money raised for the band will help with band activities, instruments, music, instructors, scholarships, equipment, and instrument repair. This support will go a long way in helping meet the financial needs of our band program. Please have names and addresses turned into Mr. Smith by *Wednesday, September 13th*. If you prefer, you can e mail the list of addresses to Mr. Smith at jsmith@oconeeschools.org. Our goal is for each student to raise \$50. If you prefer, you can make a donation in this amount to the band rather than providing addresses.

Thanks for your help and cooperation!!

Band Student: _____
