

## TITAN REGIMENT PARENTS

---

**PURPOSE:** The purpose of this fundraiser is to help each student raise \$50. Funds raised will help pay for our planned expenses during the season. This is a team effort and we need everyone “ALL IN” with each student having a personal fundraising goal of \$50.

**HOW IT WORKS:** Each student has a goal of raising \$50 in tax deductible donations. You can list yourself as a donor and list up to 10 email addresses of potential donors that you feel would be willing to financially support your child and our program. We are really looking for friends and family **or people that know you**. Determine your potential “circle of supporters” who care about your child and want them to succeed in an activity that they love.

- We will kick off the fundraiser on Monday, August 20<sup>th</sup> and the students will add their donor homework sheets from a computer/device at the school. You will receive an email notification with access to view your child’s personal fundraising page. Please return the donor homework no later than Monday, August 20<sup>th</sup>.
- Each student has a personal goal of entering up to 10 potential donors and raising \$50.
- Each student will have a personal OnlineDonations fundraising page you can personalize with your child’s photo. You can track all donor support and post via Social Media or text to friends and family for to help reach your fundraising goal.
- A request email will be sent to each of your potential donors, on your child’s behalf, outlining the specifics of the fundraiser, and they can donate **any** amount online.
- Donors automatically receive a personal thank you on behalf of your child as well and they are emailed a receipt for their tax-deductible donation.
- Any other questions contact the OnlineDonations support desk at 888-741-2963 or [support@onlinedonations.us](mailto:support@onlinedonations.us)

Thank you for your support of the Titan Regiment.
