 Phone _____ Email _____

We are glad that you and your child have chosen to take part in an outstanding organization. As you may already know, this does not happen without a lot of hard work on the part of your student. But you may not realize all the hard work that goes on behind the scenes. Without your support, the band does not succeed. The Band Boosters are the driving force behind the Band. Below you will see the many ways you can support your student this year. You will also see the additional ways you can make a difference. Your student signed a commitment form to follow through with the band program this year. We need you to do the same. Please take a moment to go over the list and decide where you can help out. A great saying to live by is "many hands make light work". You'll be part of the success, and its rewards will last a lifetime for both you and your child. **We will use this as a guide for contacting volunteers, please watch for information on signing up for specific events.**

Expected contributions

1. Support your student through encouragement and attend as many events as possible. When students see your interest, their motivation is increased.
2. Expect students to practice and attend all rehearsals and performances outside of school hours.
3. Participate in fundraisers each year. We sell concessions, send out letters for our friends' campaign, provide a student account fundraiser (s), and will have a fruit sale.
