

North Oconee High School Band Disney Trip Student/Parent Agreement Form

I have read all the rules and polices set forth for all students traveling with the NOHS Band. This includes the rules I received at the trip meeting, the Band Handbook, and the North Oconee High School student handbook. I will follow all rules and regulations while traveling with the band, and I will respect the authority of band staff and parent chaperones. I understand that failure to do so will result in disciplinary action determined by the band director based on the offense. Consequences are listed in the rules that I have received. **This includes coming to get a student from Orlando if there is a major incident.** We do not expect any problems on this trip and anticipate that our students will, as they always do, represent themselves in a positive way. This must happen in order for everyone to have a safe and enjoyable and trip.
